

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

DEMEITRUS PATTERSON,

Case No. 3:15-cv-00392-HDM-WGC

Plaintiff,

ORDER

v.

BRIAN WILLIAMS, et al.,

Defendants.

Before the court is a *pro se* petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254, submitted by Demeitrus Patterson, a Nevada state prisoner (ECF No. 1-1). He has now paid the filing fee (see ECF No. 4). The court has reviewed the petition pursuant to Habeas Rule 4 and it shall be docketed and served on respondents.

A petition for federal habeas corpus should include all claims for relief of which petitioner is aware. If petitioner fails to include such a claim in his petition, he may be forever barred from seeking federal habeas relief upon that claim. See 28 U.S.C. §2254(b) (successive petitions). If petitioner is aware of any claim not included in his petition, he should notify the court of that as soon as possible, perhaps by means of a motion to amend his petition to add the claim.

Patterson has also submitted a motion for appointment of counsel (ECF No. 1-2). There is no constitutional right to appointed counsel for a federal habeas corpus proceeding. *Pennsylvania v. Finley*, 481 U.S. 551, 555 (1987); *Bonin v. Vasquez*, 999 F.2d 425, 428 (9th Cir.1993). The decision to appoint counsel is generally discretionary. *Chaney v. Lewis*, 801 F.2d 1191, 1196 (9th Cir.1986), cert. denied, 481

U.S. 1023 (1987); *Bashor v. Risley*, 730 F.2d 1228, 1234 (9th Cir.), cert. denied, 469 U.S. 838 (1984). However, counsel must be appointed if the complexities of the case are such that denial of counsel would amount to a denial of due process, and where the petitioner is a person of such limited education as to be incapable of fairly presenting his claims. See *Chaney*, 801 F.2d at 1196; see also *Hawkins v. Bennett*, 423 F.2d 948 (8th Cir.1970). Here, Patterson's petition appears sufficiently clear in presenting the issues that he wishes to raise, and the legal issues do not appear to be particularly complex. Therefore, counsel is not justified. Patterson's motion is denied.

**IT IS THEREFORE ORDERED** that the Clerk **shall file and ELECTRONICALLY SERVE** the petition (ECF No. 1-1) on the respondents.

**IT IS FURTHER ORDERED** that the Clerk **shall replace** the caption page of the petition at ECF No. 1-1 with the corrected caption page that is currently docketed as ECF No. 5. The Clerk shall correct the case caption accordingly.

**IT IS FURTHER ORDERED** that respondents shall file a response to the petition, including potentially by motion to dismiss, within **ninety (90) days** of service of the petition, with any requests for relief by petitioner by motion otherwise being subject to the normal briefing schedule under the local rules. Any response filed shall comply with the remaining provisions below, which are entered pursuant to Habeas Rule 5.

**IT IS FURTHER ORDERED** that any procedural defenses raised by respondents in this case shall be raised together in a single consolidated motion to dismiss. In other words, the court does not wish to address any procedural defenses raised herein either *in seriatum* fashion in multiple successive motions to dismiss or embedded in the answer. Procedural defenses omitted from such motion to dismiss will be subject to potential waiver. Respondents shall not file a response in this case that consolidates their procedural defenses, if any, with their response on the merits, except pursuant to 28 U.S.C. § 2254(b)(2) as to any unexhausted claims clearly lacking merit. If respondents do seek dismissal of unexhausted claims under § 2254(b)(2): (a) they shall

do so within the single motion to dismiss not in the answer; and (b) they shall specifically direct their argument to the standard for dismissal under § 2254(b)(2) set forth in *Cassett v. Stewart*, 406 F.3d 614, 623-24 (9th Cir. 2005). In short, no procedural defenses, including exhaustion, shall be included with the merits in an answer. All procedural defenses, including exhaustion, instead must be raised by motion to dismiss.

**IT IS FURTHER ORDERED** that, in any answer filed on the merits, respondents shall specifically cite to and address the applicable state court written decision and state court record materials, if any, regarding each claim within the response as to that claim.

**IT IS FURTHER ORDERED** that petitioner shall have **forty-five (45) days** from service of the answer, motion to dismiss, or other response to file a reply or opposition, with any other requests for relief by respondents by motion otherwise being subject to the normal briefing schedule under the local rules.

**IT IS FURTHER ORDERED** that any additional state court record exhibits filed herein by either petitioner or respondents shall be filed with a separate index of exhibits identifying the exhibits by number. The CM/ECF attachments that are filed further shall be identified by the number or numbers of the exhibits in the attachment.

**IT IS FURTHER ORDERED** that the parties SHALL SEND courtesy copies of all exhibits to the Reno Division of this court. **While the Local Rules provide that parties should send paper courtesy copies of filings over fifty pages, in this instance, courtesy copies may be in paper form or as PDF documents saved to a CD—so long as each PDF is clearly identified by exhibit number.** Courtesy copies shall be mailed to the Clerk of Court, 400 S. Virginia St., Reno, NV, 89501, and directed to the attention of “Staff Attorney” on the outside of the mailing address label. Additionally, in the future, all parties shall provide courtesy copies of any additional exhibits submitted to the court in this case, in the manner described above.

**IT IS FURTHER ORDERED** that the Clerk shall detach and file petitioner's motion for appointment of counsel (ECF No. 1-2). The motion for appointment of counsel is **DENIED**.

DATED: December 31, 2015..

---

HOWARD D. MCKIBBEN  
UNITED STATES DISTRICT JUDGE
